

Press Release

May 1, 2007

Pace University is happy to announce that it has become an Adobe Authorized Training Center.

An Adobe Authorized Training Center is a training facility that offers instructor-led courses and training on Adobe products. To become AATCs, training centers must employ Adobe Certified Instructors (ACIs) to teach their Adobe courses, and meet additional requirements.

Pace is offering classes in a full range of Adobe products at both its Midtown NYC and White Plains locations.

Classes are available in:

- Flash
- Dreamweaver
- Photoshop
- InDesign
- Flash
- Illustrator
- Acrobat
